

## **GEM (Giving Enables Ministry)** or **'Loaves and Fishes'**

Aimed at worshipping family, best as an update one year after a big stewardship event.

- ◆ **Invite** to service/worship followed by a meal (given or shared)
- ◆ **Very short** presentation specific to past event and present needs
- ◆ **Information** is given out on a single A4 sheet on the day or posted to those who did not attend.
- ◆ **'In house'** parish programme - design this yourself to fit the needs of the parish.

Can be a combination of any of the other programmes.

**Two Groups** are needed to organise and run the GEM programme:

- Group One to organise the meal
